Pledge Documentation

As a member of _____ Valley of the Scottish Rite, and in support of the _____ Childhood Language Center Program, I have chosen to provide a testamentary gift in support of the children accepted for treatment at the Language Center.

I understand that this pledge commitment, as:

- Documented by a codicil in my will, and/or defined in my Living Trust, and with
- Copy provided to the Foundation for the Family Showcase Program Files

Qualifies me to participate, and reserves my Living Legacy Site as part of the Family Showcase Program.

This Family Legacy Site will be designed to:

- Honor my family heritage and/or
- Establish a special memorial for a family member or spouse, and
- Is based on story materials shared by you and other family members

I understand that the Foundation reserves the right to remove my Living Legacy Site should the pledge commitment as defined, and provided for the Family Showcase files be amended or changed.

I recognize and authorize these considerations.
